

FERDINAND modular

Design: Castello Lagravinese Studio

fin. MOS | TX 1022/13

Il sistema di sedute Ferdinand esplora, attraverso il segno contemporaneo e duttile dei suoi moduli imbottiti, diverse tipologie di divano, sempre eleganti ed essenziali. I profili lineari poggiano su esili piedini metallici, un dettaglio raffinato che esalta i volumi proporzionali. Sono più di venti i moduli imbottiti disponibili, in grado di dare vita a composizioni accoglienti ed eleganti.

A piece with an almost Scandinavian design and organic aesthetics, marked by a completely engineered and hand-finished solid wood structure. Light and sophisticated, it welcomes a padded seat with the possibility of rhombus quilting on the back.
