

COSMO

Design: Castello Lagravinese Studio

fin. MOB | PX 9934

“Rivisitano il fascino avvolgente delle poltroncine a pozzetto le nuove sedute Cosmo che contrappongono alla tradizionale forma concava del dorso un’insolita struttura metallica esterna. Profili sinuosi esaltano la raffinata identità cosmopolita della seduta, testimone di un’eccelsa vocazione artigianale che sposa il gusto contemporaneo di Opera Contemporary.”

A piece with an almost Scandinavian design and organic aesthetics, marked by a completely engineered and hand-finished solid wood structure. Light and sophisticated, it welcomes a padded seat with the possibility of rhombus quilting on the back.
