

fin. MOS I TX 1022/14

“Protagonista della zona giorno, un sofisticato e accogliente divano modulare dalle sobrie proporzioni. Un'elegante trapuntatura riveste l'esterno dello schienale in una trama a rombi e avvolge le confortevoli sedute poggiate su una struttura esterna in metallo dai bagliori dorati. Sono otto i moduli imbottiti disponibili, in grado di dare vita a composizioni accoglienti ed eleganti.”

A piece with an almost Scandinavian design and organic aesthetics, marked by a completely engineered and hand-finished solid wood structure. Light and sophisticated, it welcomes a padded seat with the possibility of rhombus quilting on the back.
