

fin. VMS | TX 0111/21

Nella versione componibile il divano Barry è composto da moduli di seduta compatti che insieme creano un divano ampio e accogliente. La configurazione essenziale del divano alterna moduli imbottiti e spazi vuoti che consentono un gioco di sovrapposizioni degli elementi e creano movimento sul retro. Più di 20 elementi strutturali danno vita a composizioni accoglienti ed eleganti.

A piece with an almost Scandinavian design and organic aesthetics, marked by a completely engineered and hand-finished solid wood structure. Light and sophisticated, it welcomes a padded seat with the possibility of rhombus quilting on the back.
