

BORIS

Design: Castello Lagravinese Studio

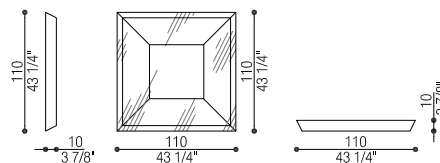

“Sofisticati effetti geometrici contraddistinguono la specchiera Boris, un elemento dei profili lineari quadrati e contemporanei che illumina le ambientazioni.”

A piece with an almost Scandinavian design and organic aesthetics, marked by a completely engineered and hand-finished solid wood structure. Light and sophisticated, it welcomes a padded seat with the possibility of rhombus quilting on the back. The unprecedented collections of Opera Contemporary, a reality renowned and appreciated all over the world for its sartorial expertise, draw on the artisan values of Made in Italy.
