

FRANCINE

Design: Castello Lagravinese Studio

fin. MOB

“Un'elegante collezione di specchi da parete dai profili arrotondati, Francine si contraddistingue per la cornice metallica che delimita parzialmente la superficie riflettente rotonda. Il design accattivante è affiancato da un dettaglio funzionale, la retroilluminazione led, che esalta l'appeal contemporaneo di questo complemento.”

A piece with an almost Scandinavian design and organic aesthetics, marked by a completely engineered and hand-finished solid wood structure. Light and sophisticated, it welcomes a padded seat with the possibility of rhombus quilting on the back. The unprecedented collections of Opera Contemporary, a reality renowned and appreciated all over the world for its sartorial expertise, draw on the artisan values of Made in Italy.
