“Una flessuosa struttura in metallo sostiene con leggerezza il piano in legno massello, e conferisce alla consolle Teseo un'aria sofisticata e dal gusto retrò.”

A piece with an almost Scandinavian design and organic aesthetics, marked by a completely engineered and hand-finished solid wood structure. Light and sophisticated, it welcomes a padded seat with the possibility of rhombus quilting on the back. The unprecedented collections of Opera Contemporary, a reality renowned and appreciated all over the world
