“Ludmilla rappresenta il connubio perfetto tra essenzialità ed eleganza. Il piano rotondo in marmo è sorretto da una struttura in metallo composta da due archi sovrapposti tagliati a laser che finiscono in una base a cerchio nello stesso materiale. Questo complemento è disponibile con diverse dimensioni di piano e in diverse altezze.”

A piece with an almost Scandinavian design and organic aesthetics, marked by a completely engineered and hand-finished solid wood structure. Light and sophisticated, it welcomes a padded seat with the possibility of rhombus quilting on the back. The unprecedented collections of Opera Contemporary, a reality renowned and appreciated all over the world
