

ALFIO

Design: Castello Lagravinese Studio

fin. MOS+NOP

Il raffinato contrasto materico tra essenze lignee e metallo caratterizza il tavolino Alfio, una proposta funzionale ed affascinante. Quattro semi-cerchi sovrapposti sorreggono il piano di appoggio quadrato in legno. Questo complemento è disponibile con diverse dimensioni di piano e in diverse altezze.

A piece with an almost Scandinavian design and organic aesthetics, marked by a completely engineered and hand-finished solid wood structure. Light and sophisticated, it welcomes a padded seat with the possibility of rhombus quilting on the back. The unprecedented collections of Opera Contemporary, a reality renowned and appreciated all over the world
